Our Loan Rates Will Make Your Summer Sizzle

Have the perfect summer vacation planned but need new wheels to get you safely to your destination? Have a high school grad going off to college in a few months? We have the perfect Auto Loan options available to you. Plus, if you have not-so-great credit or no credit at all, we still have an auto loan program for you.

Found a "new to you" auto that has 15,000 miles or less? No problem! It qualifies for the new auto loan rate. Financed with another lender and want to see if we can save you money each month with a lower rate and payment? Fantastic! We will be happy to see if we can get you driving off with an auto loan refinance.

And don't forget, we're not just in the auto loan business! We have loan options for all of your lending needs. Just stop by our office, apply online via our website (hscu.net) or give us a call (423.242.4728) today to get things started.

**loans subject to credit approval; some restrictions apply; refinances do not apply to existing HCU loans*
